Situational Leadership[®] Essentials

Developing Situational Leaders through
personalized learning solutions.

The next generation of Situational Leadership® training.

The role of the manager is becoming increasingly complex, and adaptability is the key to organizational resilience. As the next generation of Situational Leadership® training, *Situational Leadership® Essentials* equips managers with the skills they need to pivot to meet the challenges of today and tomorrow by providing them with a strong foundational understanding of the Situational Leadership® Model.

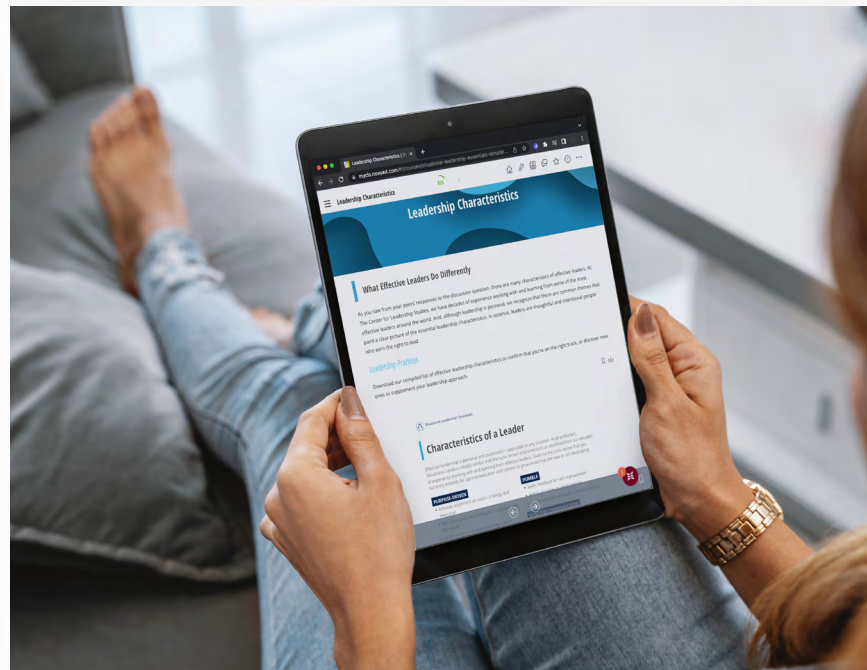

Modern

Learners today work in unprecedentedly diverse teams in a variety of environments and communication channels. As such, they need training that is **clear, relevant, applicable** and **accessible** to them when and how they need it.

Consistent

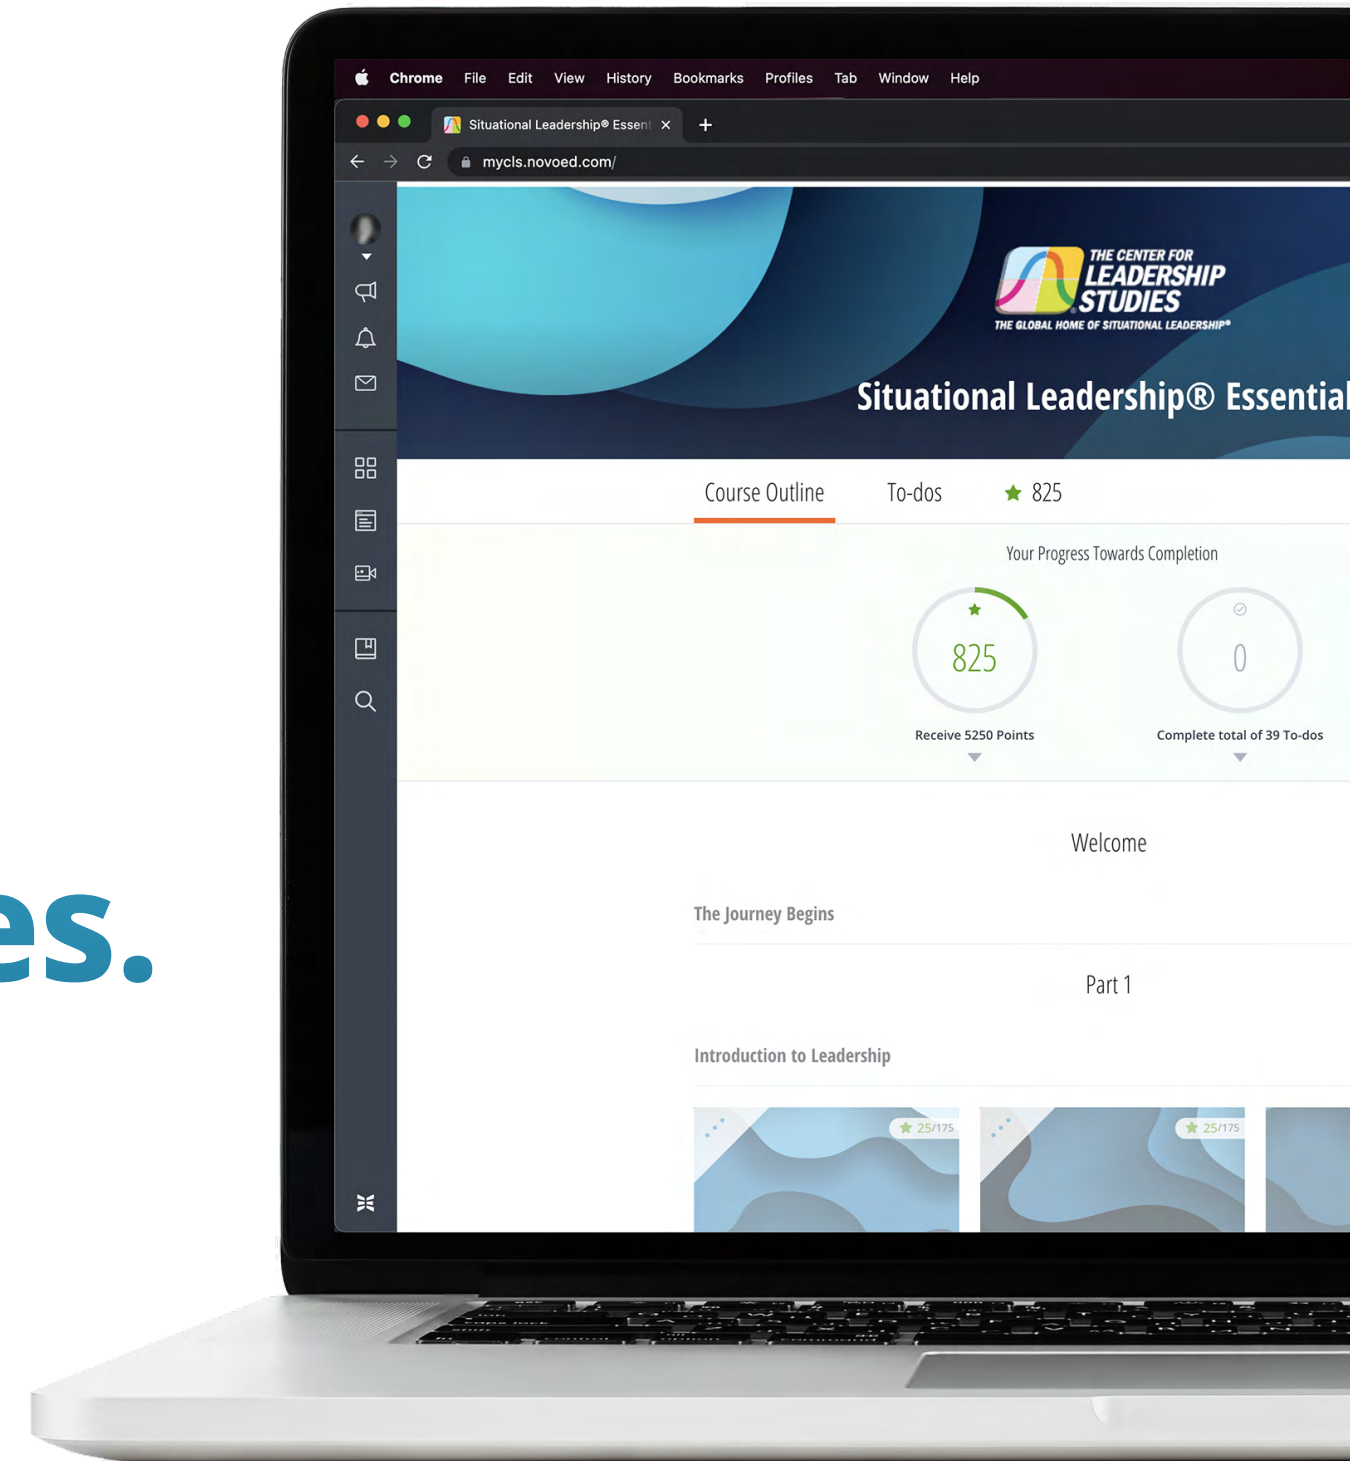

Learning objectives, outcomes, **content and materials are consistent across all modalities**. But while the content remains the same, the learning **experience is optimized to each modality**.

Flexible

Situational Leadership® Essentials provides a **single solution for your hybrid workforce**, helping you **increase the scale and speed** of your leadership training to develop more leaders in less time.

**One Course.
Four Modalities.
Infinite Possibilities.**

Learning Outcomes

Situational Leadership® Essentials teaches first-time and mid-level managers to flex and adapt their leadership style to meet the needs of others.

Achieve clarity and alignment by understanding team members' priorities and tasks and communicating expectations.

Match your leadership approach to the corresponding needs of an individual for a specific task.

Avoid underleading and overleading by recognizing that a one-size-fits-all approach to leadership is ineffective.

Respond to change by maintaining an awareness of team members' changing circumstances and performance needs.

Build trust over time by correctly diagnosing a situation, adapting to others' needs and leveraging open, two-way communication.

Learning Features

The most trusted leadership model now available to meet the needs of your specific situation.

Reinforcement

In addition to the course training materials, we have a robust sustainment system that gives leaders tools to help translate their experience in the classroom to the real-world work environment and begin applying their learning right away.

Action Plan

Leaders use this Action Plan to proactively clarify and organize their thoughts when responding to performers at each Performance Readiness® Level for a task.

Conversation Follow-Up Reflection

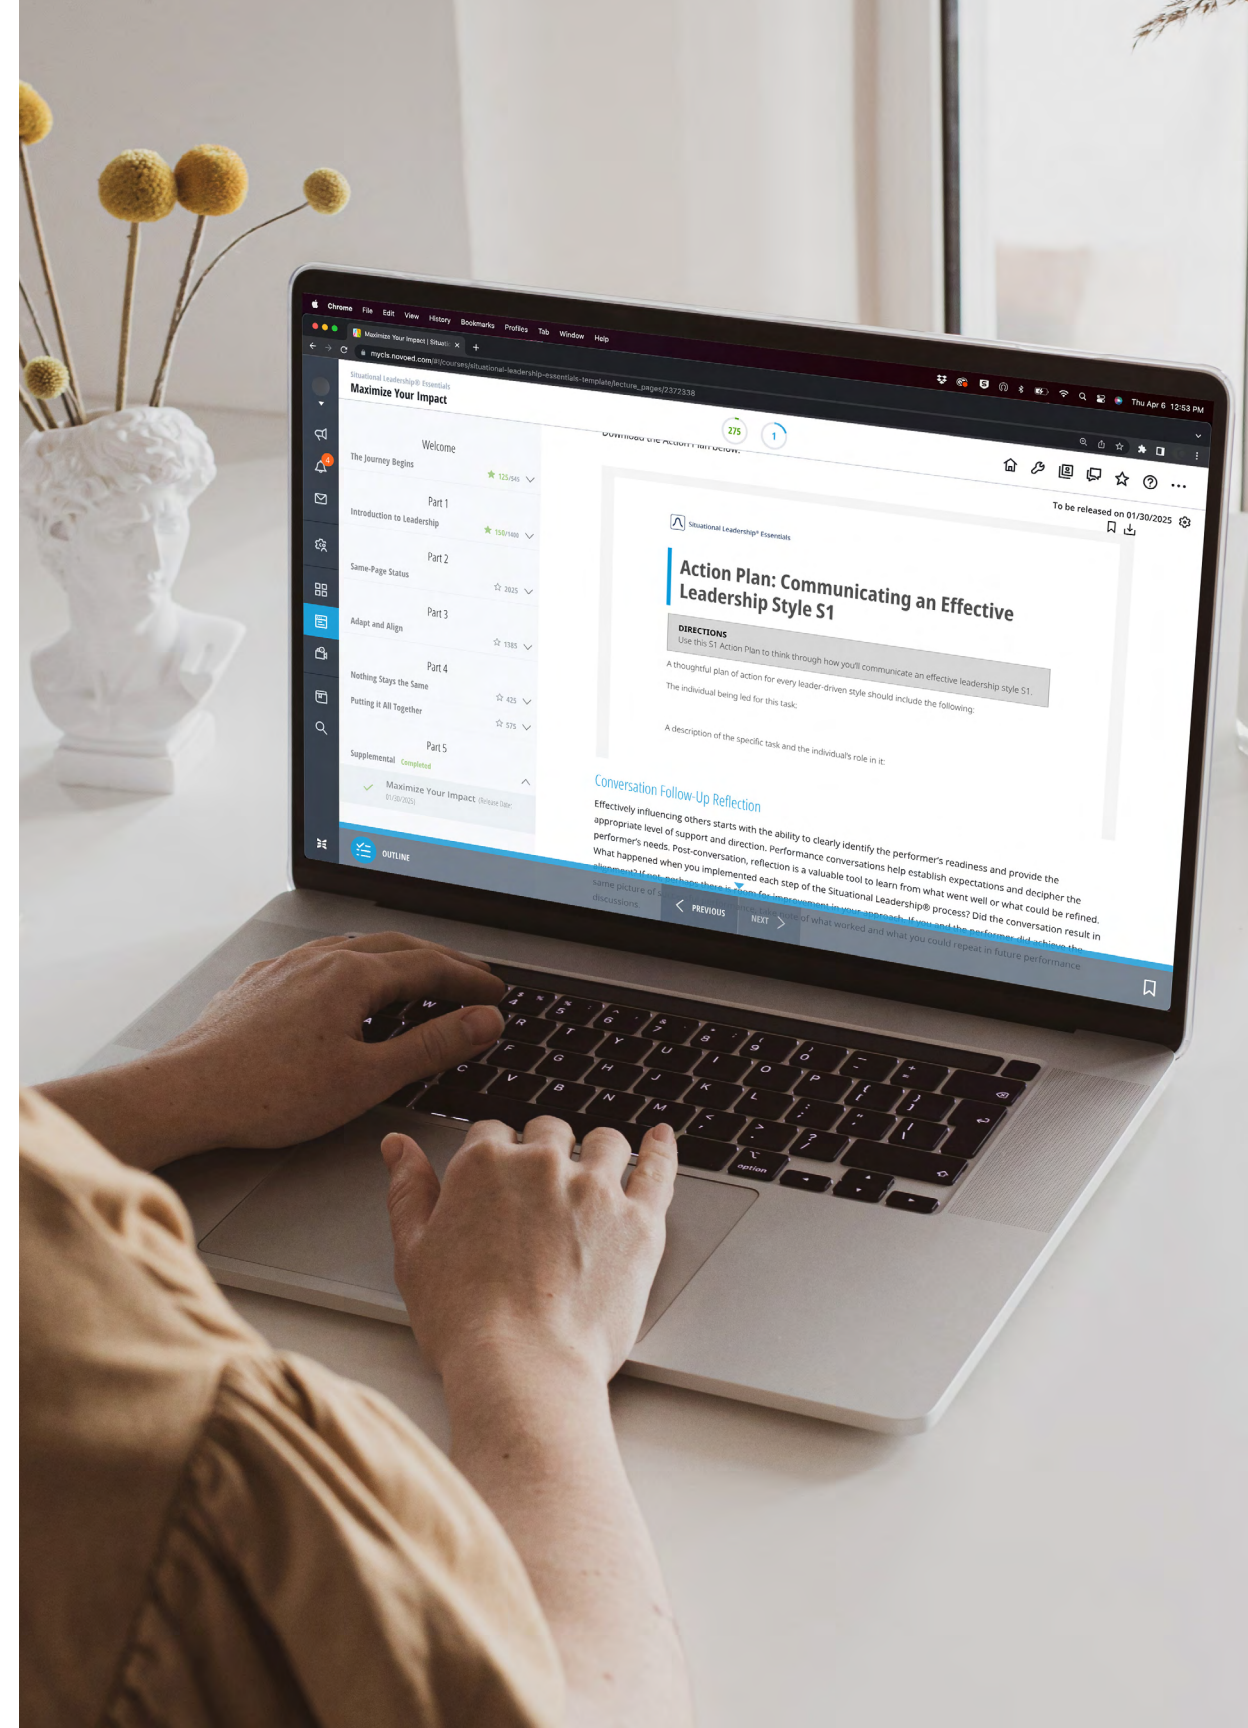

This reflection exercise asks leaders to think about how they conveyed each step of the Situational Leadership® process for a specific task in a performance conversation with their team member.

Feedback Reflection

This handout encourages leaders to examine feedback they received on their demonstration of the four leadership styles, revealing areas for improvement or validation of their efforts.

Pocket Reference Guide

This tool provides leaders with quick access to key concepts and terms from the Situational Leadership® Model when preparing for conversations designed to influence others.
